

Dear Business Partner,

The Rail Freight Corridors Baltic-Adriatic, Orient-East/Med and Czech-Slovak, in close cooperation with RNE (Rail Net Europe) are pleased to invite you to the:

RFC PCS Training 28th February – 1st March 2018 in Budapest

Our annual training provides you with valuable, practical insights needed for requesting capacity on the Rail Freight Corridors.

Moreover the training enhances your knowledge by introducing you to new features and functions in PCS, informing you about the news for TT2018 and giving you the chance to practice live with individual and corridor-specific exercises.

The PCS Training will take place simultaneously for the Corridors: Baltic-Adriatic, Orient-East/Med and Czech-Slovak.

When? 28th February (13h-18h) – 1st March (9h-13h) 2018

Where? Könyves Kálmán krt. 54-60, 1087 Budapest, Hungary

If you would like to participate, please register under the following link:

Should you have any questions, do not hesitate to contact us.

Please feel free to share this link or the official PDF invitation with other interested colleagues.

PRACTICAL INFORMATION

- ✓ Participants need to bring their own notebook and their PCS-account.
- ✓ The training will be held in English.

The training consists of:

1. A plenary session, organized by all three Rail Freight Corridors together with RNE, during which general information and new PCS features will be presented.
2. Group sessions moderated separately by each Rail Freight Corridor, during which the Customers of each Rail Freight Corridor can work with the system by using real test cases.

We firmly believe that the participation within this training would give you the opportunity to enhance your skills as PCS user and we thus warmly recommend you to join us.

We look forward to meeting you in Budapest!
